

## CLUB RECORDS - RELAYS

### 4x100m Mixed Age Relay

The Club regularly enters mixed age 4 x 100m relay teams at the Zone Championships. The junior relay is currently comprised of one athlete from each of the U9, U10, U11 and U12 age groups. The senior relay is currently comprised of one athlete from each of the U13, U14, U15 and U17 age groups.

These teams may then qualify for the Region Championships and the State Championships. In 2020 and 2021, the Zone Championships were cancelled due to the COVID-19 pandemic.

## State Relays

The State Relays are an annual event on the Little Athletics calendar. Periodically, various TWLA single age group relays have competed at the State Relays competition. The 4x100m has been a consistent offering but the configuration of the field event relays – and likely the points system - has changed over the years.

In 2020, the State Relays were cancelled due to the COVID-19 pandemic.
