

CLUB AWARD WINNERS - CLUB CHAMPIONSHIPS

Since 2016, the Club has hosted its annual Club Championships - a “multi-event” style competition where all athletes in an age group perform the same events and earn points based on performance (using the state multi-event tables).

The Club Championships contest a sprint, distance, throw and jump for U6-U7 and a sprint, distance, hurdles, throw and jump for U8+.

The girl and boy athletes with the highest cumulative point totals in each age group are named the winners.
