

CLUB AWARD WINNERS – AGE CHAMPIONS

From season 1989/1990 to season 1995/1996 and then again from season 2015/2016 to the present, the Club has awarded athletes with the most cumulative season points in each age group with the Age Champion Award. The Club has, at times, also honored “runner-up” Age Champions. Since 2023, runner up awards have only been given in groups with ten or more athletes.
