

## CLUB AWARD WINNERS ATHLETES OF THE YEAR AND PERPETUAL AWARDS

Since 2012, the Club has awarded points to athletes for attendance at training, performance on competition nights, obtaining PBs, and performances at LANSW championships. The athletes with the most cumulative points each season are named "Athlete of the Year" (AOTY) and, in the Club's discretion, a runner up may be named when circumstances justify it. The junior and senior boy and girl with the most cumulative points in one discipline receive a perpetual award. Since 2017, athletes have been limited to one perpetual award per season. Since 2018, athletes must have competed in at least 50% of TWLA's competition nights to be eligible for AOTY and perpetual awards.
