

**CLUB RECORDS - STATE COMBINED EVENTS CARNIVAL
(formerly called State Multi Event Competition)**

In 1990, LANSW first offered an annual combined events carnival which historically takes place on the first weekend in March every year. In 1998, the point system changed and previous records were contemporaneously converted. In 2009, the U17 Age Group was added. In 2021, the competition was held with limited participants due to the COVID-19 pandemic. In 2026, the points system changed. Separate records are kept based on contested event numbers and/or non-converted points systems. Current records are highlighted.
